

POLICIES + PREPARATION

HAIR + MAKEUP SNEAK PEAK

We recommend a hair and/or makeup trial prior to booking our stylists. We encourage you to bring any pictures reflecting your vision to guide our stylists in the direction you are trying to achieve. If you have a veil, headband, head piece or any accessories, you are more than welcome to bring them to your trial to see a completed look.

Trials are typically booked 3 to 6 months prior to your wedding day. We book trials on weekdays as we have heavy volume of wedding appointments on the weekends. All pricing is subject to change.

HAIR + MAKEUP PREPARATION

We recommend you refrain from washing hair 24 hours prior to styling as this is when your hair is able to hold a style best. We ask that you arrive with a fresh face prior to makeup application. Please inform the hair and makeup stylist of any allergies you may have. On the day of service up-styles must arrive with dry hair and blow outs must arrive with hair washed and wet.

TRAVEL

Our stylists will travel to the following locations to provide wedding day services: Minerals Hotel or Grand Cascades Lodge Guest Rooms, Black Bear or Ballyowen Bridal Suites.

CANCELLATIONS

We do ask that if you decide to cancel all of your services with us you allow a 60 day grace period for an entire party. Ten days for any day-of changes and/or cancellations.

GIFT CARDS

Don't forget — Crystal Springs Resort offers gift cards in any denomination and amenity baskets which make great Bridal + Bridal Party gifts!
